Port of Baltimore Broening Highway Closure

Please be advised that on Saturday, December 7 northbound Broening Highway from the Keith Avenue access ramp to Holabird Avenue will be shut down for an extended period of time due to ongoing reconstruction of the roadway.

A detour will be in place routing vehicles to Keith Avenue, left on New Vail Street and then onto Newkirk Street in order to access Holabird Avenue.

Access to port-related business and also the MPA visitor center along northbound Broening Highway will be maintained at all times during construction.
